| APPROVAL OF STATE ENGINEER   |          |
|  |          |
| This is to certify that I have examined the foregoing applicate  | on,      |
| and do hereby grant the same, subject to the following limitations ar  | a        |
| did do notoby grant the same, subject to the retrouting rimited to   |          |
| conditions:  |          |
| This permit is issued subject to all existing right's cource and is limited to what the well will produce but not to expense.  | eed      |
| 8.0 c.f.s. It is understood that this right must allow for a reas  | onable   |
| lowering of the static water level at permittees well due to other water development in the area. A substantial weir or other type of  | ground   |
| measuring device must be installed and measurements of water use k   | ept,     |
| and a method provided, either air line or opening, for measuring of to water. The State retains the right to regulate the use of the   |          |
| herein granted at any and all times.   | Water    |
|  | ,        |
|  | :        |
|  |          |
| The amount of water to be appropriated shall be limited to the amount  |          |
| which can be applied to beneficial use, and not to exceed 8.0  |          |
| cubic feet per second, or not to exceed a yearly duty of 4 acre-feet   | per acre |
| of land irrigated. Actual construction work shall begin on or before October 9, 1957   |          |
| Proof of commencement of work shall be filed before November 9, 1957   |          |
| Work must be prosecuted with reasonable diligence and be completed or  | or       |
| before October 9, 1958   |          |
| Proof of completion of work shall be filed before November 9, 1958   |          |
| Application of water to beneficial use shall be made on or before  |          |
| October 9, 1962 . Proof of the application of water to benefic   | ial      |
| use must be filed with State Engineer on or before November 9, 1962  |          |
| oof of commencement of work filed 007 1 1857   | day      |
| OF OF BENEFICIAL USE FILED MAY 1 1 1960 BECAUSE OF FAILURE   |          |
